Subject: Freedom of Information Request

Mr. Acosta,

Please accept this in accordance with the Texas Freedom of Information request.

According the Texas State Bar Association website, Holly Taylor, former Assistant District Attorney for Travis County, is currently employed by your office.

1. Please provide her date of hire, and/or dates of employment
2. please provide her duties and responsibilities.
3. please provide which justice or justices she clerks for.
4. is there a record or tracking system that identifies which clerk reviews what document in preparation and submission to a justice for review?

My reason for asking: Holly Taylor was the Prosecutor at my son, Charles Malouff, Jr.'s trial. I would like to know if she has ever reviewed any of Charlie's filings with the Court? If so, can you provide the filing, docket numbers?

I worry that this situation may be a "conflict of interest" and may even present an appearance of impropriety.

Thank you,

Margaret Malouff
